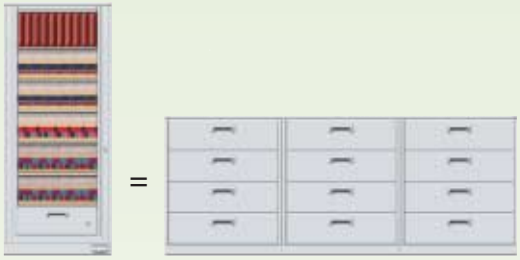
Accessories

Times-2 Space Planning

One 7-tier Times-2 Speed File stores almost as much as three 4-drawer lateral files and requires less space



Use Times-2

- In alcoves for recessed storage.
- Positioned back-to-back.
- Under low windows to utilize wasted space.
- Between workstations for shared files.

- Custom match any color
- 100% Non-emissive
- Environmentally friendly

Options

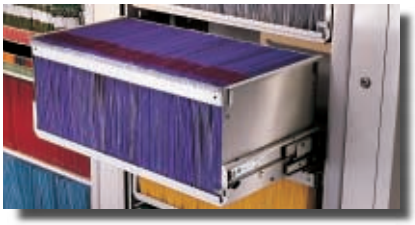
- Fabrics
- Laminates
- Acrylic Overlays
- White Boards
- Cork Boards

Rollout Reference Shelf
Our most popular accessory. The 5-,6-, 7- and 8- Tier models accept the Rollout Reference Shelf with no loss of filing inches when used with standard shelves.

Security Drawer
Confidential documents stay safe and secure. The drawer features double bitted key lock and recessed drawer front.

Rollout CD Drawer
Drawer Front and Back are slotted every ½" for adjustability. Drawer Divider runs the full depth. Adjustable slotted drawers allow for easy storage of CD's, videotapes, microfilm, microfiche, index cards, or checks.

Rollout Drawer with End Supports
The configuration of drawer and end supports provides fast and easy access to top tab or end tab files.



Rollout Drawer with Hanging Folder Frame
Times-2 will handle all of your hanging folder requirements. Drawers can be stacked 1 per tier for complete hanging folder storage.

Times-2 Wardrobe Kit
This accessory creates storage for personal items such as coats, purses, shoes, lunches, and books.
