Color Options

Times-2 Elite can be ordered in twenty-nine beautiful colors in our eco-friendly Gloss-Tek powder coat.

Canopy Top Options

Although Times-2 Elite comes standard with a metal canopy top, three additional options can add elegance to your space.

Wood-Tek

Choose tops crafted in Wood-Tek, a hand-finished, furniture quality top that comes in ten elegant stains and five species of wood. This exclusive line of wood products can also be color matched to your existing office suite.

Granite

Want the luxury of granite? Choose from a selection of four beautiful engineered-granite tops to complement your decor.

Green Composites

Top Times-2 Elite with a canopy that fuses transparent tempered glass with recycled glass and semi-precious fragments. Available in subtle or vibrant tones.

Door and End Panels Options

Wood-Tek

Customize your Times-2 Elite Doors and End Panels with elegant Wood-Tek.

Fabrics

Enhance Times-2 Elite End Panels and Door Panels with luxurious commercial fabrics in a wide array of textures and colors to match your office setting.

TIMES - 2 ELITE

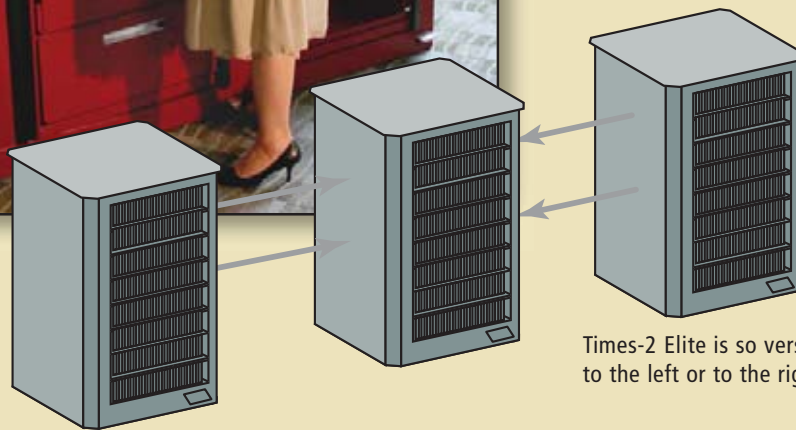

HAS IT ALL...VERSATILITY, LOADS OF SPACE AND BEAUTY, TOO.

Times-2 Elite is your private, secure storage system that rotates for fast access from either side, and gives double the depth of conventional lateral files.

Comfortable in your space, confident in the corner office, or compatible with the conference room, Times-2 Elite makes a bold design statement with elegant faceted lines.

There's more. Times-2 Elite has compartmentalized, locking storage and true multimedia features not seen in lateral files. You can store everything imaginable from books and binders, to files and DVD's, laptops to lab kits.

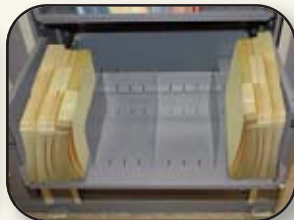

Times-2 Elite is so versatile you can add units to the left or to the right with no special parts.

Our Environmental Pledge

We use environmentally friendly Gloss-Tek™ powder coat on our Aurora products. This finish is 100 percent non-emissive, free of formaldehyde, methanol, and other solvents; and completely friendly to artifacts, specimens, and documents.

No wonder we say that with Aurora, any color you choose is "green."
