COLOR AND DESIGN OPTIONS

Gloss-Tek

Color Options

All the features of Aurora Products come together to give you a galaxy of choices. We have the widest color selection in the industry, twenty-nine beautiful colors in Gloss-Tek powder coat. Our Xpress program ships eight colors in only two or five business days. Aurora Products are also available in unlimited custom colors to create the look you want, and to blend with the space you already have.

Gloss-Tek is also available in an antimicrobial finish for healthcare and educational applications.

Wood-Tek

Add a touch of class to storage. Choose counter tops, doors, and end panels crafted in Wood-Tek, a hand-finished furniture quality cladding that comes in ten elegant stains and five species of wood. This exclusive line of wood products can also be color matched to your existing office suite.

Wood-Tek

Space Planning

Design Services and Space Planning

Aurora Products can help plan, create, and deliver a custom storage system that will serve your current and changing needs. We work with architects, designers, and clients to assess your space and recommend a variety of design solutions for storage in each area. Space planning, aesthetics, corporate culture, and work styles are important considerations. Let us examine all of these critical elements to develop a highly adaptive storage and filing system that will grow with every area of your company.

Our Environmental Pledge

We use environmentally friendly Gloss-Tek™ powder coat on our Aurora products. This finish is 100 percent non-emissive, free of formaldehyde, methanol, and other solvents; and completely friendly to artifacts, specimens, and documents.

No wonder we say that with Aurora, any color you choose is "green."
