

TIMES-2 ROTARY

COLLABORATION TABLES

Support your project teams and departmental meetings with a dual communication and storage design.

Times-2 Collaboration Tables combine a conventional conference table with customizable storage. Maximize your team meetings or impromptu discussions by providing immediate access to reference tools and supplies.

- Store documents, binders, prints, project files, and small office supplies, all in one storage solution.
- Best used in groups of 4 or 6 back-to-back units with a conference or work surface.
- Support meetings at a seated height of 30³/₄" H or stool heights of 42⁷/₈" H.
- Cabinet lock and individual lockable drawers.
- Foot pedals or hand releases rotate storage.

Here's a great way to address departmental storage needs while also providing a way for workers to meet and collaborate.

SPECIFICATIONS

Suggested overall storage footprints:

- **25" Base Units Without Tops**
4 Units Cubed 68⁵/₈" W x 59³/₄" D
6 Units Cubed 99³/₈" W x 59³/₄" D
- **31" Base Units Without Tops**
4 Units Cubed 84⁵/₈" W x 73¹/₈" D
6 Units Cubed 99³/₈" W x 73¹/₈" D
